LENS OF SUTTON ASSOCIATION List 6

HIGHLAND RAILWAY STATIONS

The following list contains details of Highland Railway station views, most of which are general views showing details of station buildings and other infrastructure.

- 50401 HR Aberfelty Looking west towards buffer stops circa 1930, showing rear of train with station building to right.
- 50400 HR Aberfelty General view of branch terminus, circa 1930, looking west towards buffer stops.
- 66571 HR Aberfelty General view of branch terminus, 18/9/12, looking east away from buffer stops with train of 6 wheel stock awaiting departure.
- 66681 HR Aberfelty General view of branch terminus, 10/9/38, looking west towards buffer stops. AW Croughton.
- 50403 HR Achanalt General view of station circa 1968.
- 50404 HR Achanalt General view of station circa 1968.
- 50402 HR Achnasheen Postcard view showing station buildings circa 1912.
- 50405 HR Achnasheen Looking west towards Dingwall circa 1930s.
- 50406 HR Alness Showing station building circa 1950s.
- 50407 HR Alness Showing station building circa 1968.
- 50408 HR Altnabreac General view of station circa 1912
- 50409 HR Attadale View from train, circa 1930s.
- 50410 HR Aviemore View looking southwards from the footbridge circa 1930s.
- 50412 HR Aviemore "Reliable Series" postcard view circa 1912, looking north towards Inverness.
- 50411 HR Aviemore General view from road, circa 1930s.
- 50413 HR Aviemore Circa 1930s view, looking north towards Inverness from the down platform.
- 50414 HR Aviemore View north from the footbridge circa 1912, showing details of the platform canopies.
- 64931 HR Aviemore General view of platforms circa 1930s.
- 50415 HR Ballinluig "Reliable Series" postcard circa 1914.
- 66680 HR Ballinluig General view looking to station, signal box and branch platform,. 10-9-38 (AW Croughton)
- 50435 HR Balnacoul View of station through trees circa 1930.
- 50416 HR Beaully Postcard view circa 1912.
- 50417 HR Blair Atholl General view of station, circa 1930s, showing station buildings and footbridge.
- 50418 HR Blair Atholl General view of station, circa 1905.
- 50420 HR Boat of Garten Platform view circa 1930s.
- 50419 HR Boat of Garten General view, probably circa 1912, showing up and down platforms, station buildings and footbridge.
- 50421 HR Boat of Garten General view, showing station buildings, circa 1930s.
- 50422 HR Bonar Bridge Postcard view with train, circa 1912.
- 50424 HR Bonar Bridge View from footbridge, circa 1930s.
- 50423 HR Bonar Bridge Circa 1930s view showing station building, etc.
- 50425 HR Brodie Showing station building, level crossing, etc, circa 1930s.

- 50426 HR Brora H.A.Vallance photograph, showing the northbound platform and main station building circa 1930s.
- 50427 HR Brora "Hood & Co" postcard view with train in up platform circa 1912, the leading engine being 'Small Ben' 4-4-0 No.6 *Ben Armin*.
- 50428 HR Burghead Panoramic view, probably from circa 1912 postcard.
- 50436 HR Cambusavie Platform Missing
- 50429 HR Carr Bridge General view looking north circa 1912, showing main up side station building framed by footbridge.
- 50430 HR Clachnaharry Panoramic view circa 1912.
- 50431 HR Conon Postcard view circa 1912.
- 50434 HR Culloden Moor Missing
- 50433 HR Culrain General view circa 1960s.
- 50432 HR Culrain H.A.Vallance photograph, looking south before removal of the crossing loop.
- 50444 HR Dalguise Circa 1930s view showing up and down platforms and lattice girder footbridge, with main station building to right.
- 50446 HR Dalguise General view circa 1930s, showing up and down platforms, station building and footbridge.
- 50447 HR Dalnaspidal Circa 1930s view showing up and down platforms, footbridge, part of station buildings and signal box in distance.
- 50445 HR Dalwhinnie Postcard view circa 1912, showing up and down platforms and station building.
- 50448 HR Dalwhinnie Circa 1930s view showing up and down platforms framed by the lattice girder footbridge.
- 50449 HR Dava Circa 1930s view showing up and down platforms and station buildings.
- 50450 HR Delny Postcard view "published by Mrs Matthieson, Delny", circa 1910.
- 50452 HR Dingwall Postcard view, looking south towards Inverness during the early 1900s.
- 50451 HR Dingwall General view circa 1962.
- 50453 HR Dingwall View of down side, circa 1920s, showing horse-drawn vehicle on platform.
- 50454 HR Dornoch General view of terminus, looking south, with branch train in the platform.
- 50455 HR Duirinish General view of station circa 1964, showing station building and platform.
- 50456 HR Duirinish General view of station circa 1964 (very similar to 50455).
- 50439 HR Duirinish General view, circa 1930s, showing platform and station building.
- 50443 HR Duncraig Platform Circa 1968 view showing platform, station building and road overbridge.
- 50457 HR Duncraig Platform General view circa 1930s.
- 50458 HR Dunkeld Circa 1930s view showing station buildings and footbridge.
- 50460 HR Dunkeld View from footbridge circa 1930s, showing up and down platforms with station building to left.
- 50459 HR Dunkeld General view of up and down platforms circa 1930s, showing station buildings and footbridge.
- 50440 HR Dunrobin Photograph taken by H.A.Vallance in June 1936, looking north.
- 50441 HR Dunrobin Circa 1968 view showing platform and station building, looking north.
- 50442 HR Dunrobin Close-up view of station building circa 1968, looking north.
- 50462 HR Edderton Circa 1912 general view of station from the overbridge showing up and down platforms and station buildings.
- 50461 HR Edderton "Macpherson's Series" postcard view circa 1912 showing station building and road overbridge.
- 50463 HR Embo Circa 1912 general view showing timber station building on single platform.
- 50464 HR Enzie Circa 1930s view showing weed-grown trackwork.

- 50465 HR Evanton General view circa 1920s, showing up and down platforms, station buildings, goods shed and footbridge.
- 50467 HR Fearn Circa 1930s general view showing up and down platforms, station buildings, footbridge and goods shed.
- 50466 HR Fearn "Macpherson's Series" postcard view circa 1912, showing station building and road overbridge.
- 50472 HR Fochabers Town Circa 1900 view, showing 2-4-0 No.39 *Aviemore*.
- 50473 HR Fochabers Town Circa 1900 view showing arrival of branch train.
- 50470 HR Forres Circa 1912 general view with Jones 4-4-0 No.96 *Glentilt* standing opposite the signal box.
- 50471 HR Forres Shows Forres old station, used as station master's house.
- 50476 HR Forsinard Detailed, circa 1966 view of station building.
- 50474 HR Forsinard Detailed view of signal cabin circa 1966.
- 50475 HR Forsinard Circa 1966 view of up and down platforms and station buildings from the level crossing.
- 50477 HR Fort George Detailed, circa 1966 view of goods shed.
- 50478 HR Fort George Circa 1966 view of station building.
- 50468 HR Fortrose Circa 1912 view, looking south towards the station and golf course.
- 50469 HR Fortrose Circa 1900 view, looking south towards the station.
- 50479 HR Garve Postcard view circa 1912 looking east from hills above the station towards Loch Garve.
- 50480 HR Garve Detailed view of main station building on the up platform, circa 1912.
- 50481 HR Garve Down train in station headed by Black Five 4-6-0 No.45011, with station building visible to left.
- 50482 HR Garve Looking west from train, showing up platform and loading dock, circa 1930s.
- 50484 HR Georgemas Junction Circa 1930s view of down platform and station building, looking towards Inverness.
- 50494 HR Georgemas Junction Circa 1912 view of junction.
- 50483 HR Georgemas Junction H.A.Vallance photograph showing Georgemas Junction, looking east towards Wick.
- 50485 HR Glencarron Platform Circa 1930s view, looking west towards Kyle of Lochalsh.
- 50486 HR Golspie Circa 1968 view showing station building and road overbridge.
- 50488 HR Golspie Circa 1930s view showing station buildings, footbridge etc (similar to 50487).
- 50487 HR Golspie Circa 1930s view showing up and down platforms, station buildings, footbridge and road overbridge.
- 50490 HR Grandtully Circa 1930s platform view with detail of station building.
- 50489 HR Grandtully Circa 1930s view looking down on station building from bridge.
- 50491 HR Guay Circa 1930s view showing wooden station building and two-armed semaphore signal.
- 50492 HR Guay Circa 1912 (?) view showing station building, goods shed and double-armed signal.
- 50493 HR Guay Circa 1912 postcard view.
- 50496 HR Helmsdale Circa 1930s view, looking north and showing station buildings, South Signal Box and footbridge.
- 50497 HR Helmsdale Circa 1930s view, looking north and showing the up and down platforms.
- 50498 HR Helmsdale Circa 1930s view, looking south and showing the engine shed and down platform.
- 50499 HR Helmsdale Circa 1930s view, looking north towards Wick, and showing the station building, up platform and fish dock.

50500 HR Hopeman General view of terminus, looking north-east circa 1912, with 4-4-0T and branch train in the platform.
